

Three Injured In M-72 Accident

A local man, William Harrison, 43, of Grayling, and a Troy couple were injured Monday, about 4:50 p.m. on M-72 West about one half mile west of Grayling.

Sheriff deputies reported the van driven by Frank Morgan, 61, spun out and crossed the center line hitting a pick-up truck driven by Harrison.

Morgan and his wife and Harrison were taken to Mercy Hospital for treatment. The vehicles were reported totaled and the Grayling Fire Dept. used the jaws of life at the scene.

Commissioners To Buy 2 Sheriff Cars

The Crawford County Board of Commissioners voted 5-0 last Thursday to order two new cars for the sheriff dept. The commissioners are trying to upgrade a fleet of sheriff cars that average more than 100,000 miles.

The board ordered a 1985 Dodge Diplomat with the heavy-duty police package for \$11,986 from Scheer Motors and ordered a 1985 Ford LTD with heavy-duty police package for \$11,170 from Terry Misener Ford.

The commissioners ordered one car from each dealer and plan to monitor maintenance costs and repair times on each vehicle.

Repairs and maintenance on the old fleet of sheriff cars for 1984 cost \$28,381. Commissioners expect buying two new cars will save some money in repair bills while providing safer transportation.

Chamber To Sponsor Seminar

If you are doing business in the Grayling - Crawford - Roscommon - Otsego area, mark your calendar now for March 12. On that day, the Grayling Regional Chamber of Commerce, in co-operation with M.S.U. Co-operative Extension Service, will sponsor a one day seminar conducted by Dr. Ed Mahoney of M.S.U.

Dr. Mahoney's presentation directed at advertising and promotion of your business to answer such questions as "How to attract business and customers" and "How can I determine the effectiveness of what I'm doing now"? It is hoped that employers of the area will find a way to send their entire sales staff to this one day session.

The Chamber of Commerce has definite statistics concerning the growth of this area, especially along the I-75 corridor. These figures prove a definite growth pattern for the next 20 years.

Our suggestion is to prepare your business for this growth by providing knowledgeable and intelligent sales force, people who know your product and how it will fill the need of the customer, the people.

Registrations at 9:00 a.m., March 12, 1985, Holiday Inn of Grayling. Seminar Fee \$10.00. Includes lunch and coffee breaks. Immediate registrations acceptable at the Chamber of Commerce.

Band Concert Re-Scheduled

The Band Concert that was scheduled for Thursday, February 21st has been re-scheduled for Thursday, February 28th at the Joseph Stripe Auditorium at 7:30 p.m.

Jump Rope For Heart March 5

Everyone jumping in the "Jump Rope for Heart" event last year enjoyed participating and helping the American Heart Association of Michigan. At the same time, Mrs. Doty reported that the Grayling Middle School raised \$1,500. The total benefit was \$258,000 statewide, and \$17 million nationwide.

"This years goal is \$1,600", said Mrs. Doty. The event is coming up on March 5.

Jumpers will have a chance to earn: T-shirts, barrel bags, hooded sweatshirts, warm-up suits, jump ropes, and painter hats.

"Also, the event will earn the school athletic equipment and educational materials", Mrs. Doty stated.

To participate in the event, please register with Mrs. Doty from 3:30 to 6:30 p.m.

Well-Known Steelhead Fisherman Ray Schmidt To Host Trout Unlimited Program in Grayling

Ray Schmidt, called the best steelhead fisherman in the country by many, will share his secrets at the second winter entertainment program sponsored by the George W. Mason chapter of Trout Unlimited at 8 p.m. at Chief Shoppenagons Motor Hotel Feb. 28.

Schmidt, who started fishing at the age of 12, recently founded the Steelhead Angling Society, headquartered in Manistee. He has earned national recognition as chairman of the F.F.F. National Steelhead Conservation Committee and is currently conducting Sage flyfishing schools in the mid-west. (A three-day class is scheduled in Baldwin for March 15).

The public is invited to the presentation to learn the secrets of catching those monsters of our rivers.

Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 20 Feb 85 thru 27 Feb 85.

Firing will be in the following areas on the dates and times as indicated.

The Small Arms Ranges located north of Howe Rd, west of Lake Margrethe, east of the gas pipeline and south of Portage Creek. Firing will begin at 8:00 AM 23 Feb 85 and cease at 5:00 PM 24 Feb 85.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618, and west of County Rd F97 (Twin Bridge Rd). Firing will begin at 8:00 AM (Daily) 20 Feb 85 and cease at 5:00 PM (Daily) 27 Feb 85.

The ranges will be closed to the public during these periods and all persons are warned to keep out of the areas identified.

Town Meeting Draws Few

A "town meeting" held by the Grayling City Council drew only 13 persons Monday night at the Grayling City Hall.

Seven of the persons were city employees and the rest had business interests in the city but were not residents.

Only three citizens, Dick Wieber, Patricia Schreiner, and Walt Nowak, addressed the board during the meeting that was arranged to hear the public's views about city operations and future direction.

Wieber complimented the city for its snow removal this year, calling it the best in years despite abundant snowfall for our area.

He also said the Grayling city income tax was a good idea.

"There are only about four or five other municipalities our size that have a city income tax and I've heard some people complain about it," Wieber said.

"I think the street program funded through the income tax is great for the city. I've been here 18 to 19 years and the change in the city streets has been something. There used to be only sandy streets so full of holes you couldn't drive on them."

Wieber then threw out some ideas for the council that he said should not be taken as complaints.

"There can be a lot of benefit from a town meeting," he said. "The atmosphere is more of a team feeling rather than someone coming in to complain one against one. There can be more production through a team effort."

He suggested the city income tax street repair program be expanded to include sidewalks. Wieber said storeowners and property owners are responsible for maintaining and replacing sidewalks, yet they also pay extra taxes on the sidewalks because of increased property value.

He also wondered if the city tree planting

program could be extended.

Another item mentioned by Wieber was better snow removal along sidewalks along the business loop. He also thought the city should look into bike paths and a better snowmobile route.

Patricia Schreiner also asked about the tree planting program wondering if something couldn't be done to keep people from parking cars in the easement area near the trees. She said some trees are run over by cars.

The city council said in some cases the persons can be ticketed, but city manager Jerry Morford said a more positive approach may be to encourage a city program involving residents planting the trees. He said the city could possibly provide trees to plant at a reasonable cost and encourage city residents to plant them and take care of them. Morford said some of the trees planted died because of lack of watering.

"It's tough for us to get around to water 300 trees but it's not as difficult for someone to water one or two trees," Morford said.

Walt Nowak thanked the city for prompt snow removal in the city park in front of the Chamber of Commerce building.

Grayling Mayor Sandy Thompson thanked everyone for attending and said the council would check into all the suggestions brought up at the meeting.

City manager Morford said the town meeting is not the only place residents have a chance to comment on city business. He said at each city council the second Monday and last Monday of the month there is an item on the agenda giving citizens a chance to address the council. Citizens may also call the city office during normal business hours with complaints or comments and Morford said his home phone number is listed for anyone who can not call or visit the city office.

New GHS Graduation Requirements Approved

By Jon Thompson

The Crawford AuSable School Board of Education have increased graduation requirements at Grayling High School.

The newly adopted requirements, proposed by high school staff and administration, were approved by the board at their Feb. 11th meeting.

The biggest change in the requirements increases the number of credits needed to graduate to 22 from the previous level of 20.

Additionally, specific requirements have been increased in English, from three credits required to four credits required, in Mathematics, from one to two credits now required, and a 1/2 credit requirement has been added for computer science.

Other requirements are two credits of Science including 1/2 credit of Health; three and a half credits of Social Studies including Civics, World History, Global Issues, Modern U.S. History, National Government, State and Local Government, and Consumer Education; one half credit of Physical Education, and two credits from either foreign languages, fine or performing arts, or vocational or practical arts.

To graduate, students must also demon-

strate competency in reading and math by achieving a minimal score of 75 percent on the Michigan Education Assessment Program or complete a refresher reading or math course.

To meet individual needs, flexibility was placed in the requirements to allow for an alternative program for a student that can be approved by an educational placement committee.

The new requirements will not affect the classes of 1985 or 1986. The class of 1987 will be required to earn 21 credits but are subject to all other 1984 graduate requirements. The class of 1988 must meet all of the new requirements except the Civics requirement. That class will still take Civics their senior year.

The class of 1989 will be the first class to fall totally under the new requirements.

To earn a half credit at GHS, students must pass a course that meets one period a day for five days a week for one semester. GHS has two semesters a year and seven periods a school day.

The new graduation requirements are the result of work started by the high school staff more than two years ago.

Lawsuit Against County Dropped By Former Inmate

A \$250,000 lawsuit against Crawford County has been dismissed in U.S. District Court.

Michael Crane had sued the county alleging cruel and unusual punishment when he was an inmate in the county jail. The suit was scheduled for trial in December, 1984, and Crane submitted a demand for settlement asking for \$500 before the trial date.

The Crawford County Board of Commissioners refused to approve the settlement demand. The court gave Crane 60 days to set aside an order of dismissal in case the settlement was not approved by the county. Crane didn't submit anything so the case was dismissed.

Crane had sued the county and its jail administrator Michael Johnson Jan. 12, 1983, for alleged cruel and unusual punishment.

Crane said in his suit that he had to sleep on an army cot in cramped quarters for six nights. He said he had no table for meals and no place to put personal items. He also said he could smell damp odors from a nearby shower stall.

He said he wasn't harmed physically from the experience but asked for \$250,000 in the suit for what he thought was unfair treatment.

Crane said he was forced to move to the cramped quarters because he failed to follow jail rules and didn't make his bed by 8 a.m.

Former Sheriff Joe White said Crane had to sleep on a cot because the jail was overcrowded. White said Crane was moved back to a regular cell after overcrowding eased. He said it was not the first time an inmate had to sleep on a cot during overcrowding.

Crawford Receives \$22,500 For Two Project Grants

State Senator Connie Binsfeld (R-Maple City) and Representative Ralph Ostling (R-Roscommon) today announced that two grant applications, for a total of \$22,500, have been approved for projects in Crawford County.

Binsfeld said she is especially delighted with a \$15,000 grant that will go to the county to study whether incineration of solid waste to create energy is economically feasible.

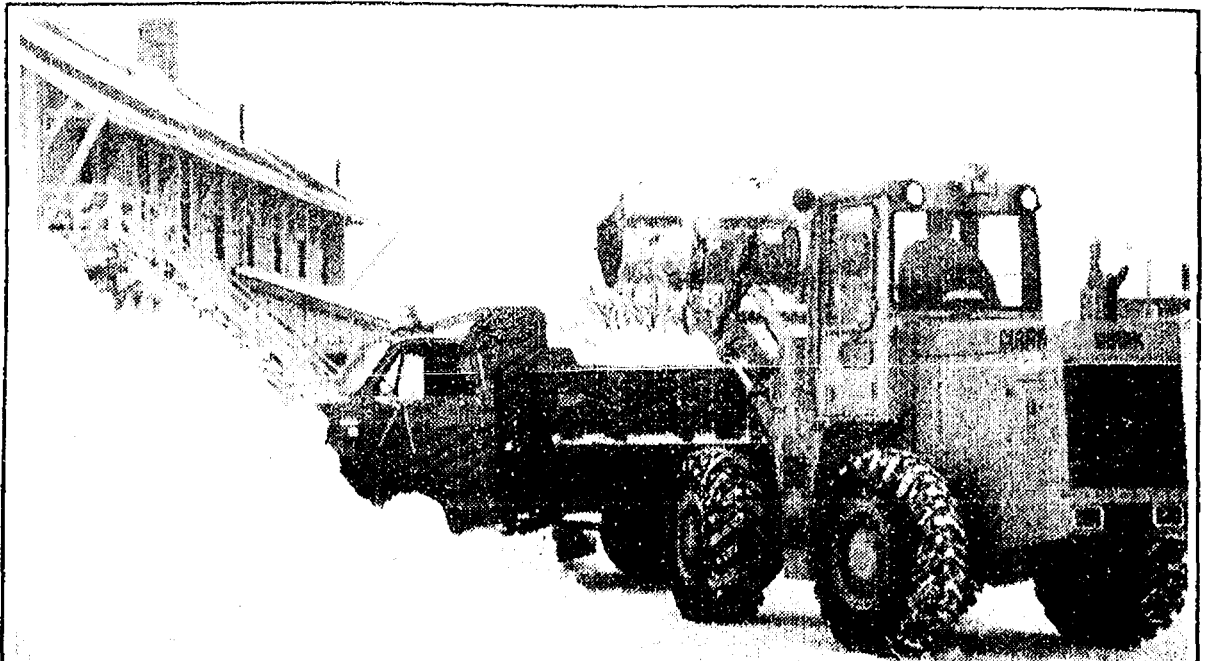

"I have been the state's most outspoken advocate of modernizing our solid waste disposal practices and converting waste into energy," Binsfeld said. "I couldn't be more delighted that Crawford County will be leading the way in studying this up-to-date practice."

The \$15,000 grant will be funded by the state's Small Cities Grant Program, and will be augmented with \$10,000 in local matching funds. The county proposes to study the feasibility of the plan, which could also benefit the counties of Kalkaska, Cheboy-

gan, Oscoda, Otsego, and Roscommon.

The second grant, for \$7,500, will go to Grayling Township for an engineering feasibility study on construction of an industrial rail siding and transloading dock facility at the township's Forest Products Industrial Park. The siding and dock facility would service the area's forest products industry and other rail shippers. The grant, also funded by the Small Cities Program, will be matched by \$7,500 in local funds.

"I'm very impressed with both these projects and hope the feasibility studies lead to actual implementation of the plans," Binsfeld said. She said she will continue to work hard to bring state money back into her district. In 1984, her Senate district received six economic development grants totaling \$2,125,000; two public works grants totaling \$243,000; one economic development start-up grant totaling \$10,500; and six housing development grants totaling \$950,000.

DIGGING OUT — A familiar sight around Grayling these days is the city crew or county road commission plows digging out after a snowfall. Above, the city crew attacks a pile of snow left after the first day of a four-day storm last week that closed schools and cancelled activities throughout the county. High winds and blowing snowfall came up quick Monday night to again cancel school Tuesday after roads drifted in.

M.A.S.H. Bash & Play Here Saturday, Feb. 23

The stage is set for the M.A.S.H. play, so to speak, February 23 at the Grayling High School auditorium at 7:30 p.m. The play promises to be a big success, and according to Deryl Holmes, public relations director at Mercy Hospital, ticket sales have been excellent.

From Our Corner...

No more prognosticating by the ol' fella...especially when it concerns the weather around here...we started off last week's turkey by saying that things were beginning to look up, as far as the weather was concerned because we had just finished having a fairly nice week of above normal temperature and the sun had really tried to shine a few days but then, the roof fell in so...it started to snow last Sunday night and it has snowed some every day this week and we are back to another Sunday afternoon and it is still snowing out...

We got so much snow and high winds that drifted roads closed and forced the cancellation of school Tuesday, Wednesday, Thursday and Friday...and we didn't get the storm as bad as they got it over around Traverse City and along the coast of Lake Michigan...a school spokesman said he thought it must be at least 17 years ago that schools had been closed for four days straight...the snowfall has forced the shovelling off of roofs, especially the flat ones forcing a crew to shovel the roofs of the high school and elementary school...a picture in the Bay City Times Saturday showed the roof at the Traverse City High School gymnasium had caved in on the bleachers...no one was hurt...

City crews and County Road Commission crews have practically worked around the clock this past week just to try and keep the major roads open and the city streets passable...the city has done an excellent job in keeping the main street downtown clear of snow by hauling it away...

With the snow banks at the intersections around the city it makes driving a bit precarious, one has to be on the alert at all times, and the packed snow like ice makes stopping that much more hazardous...

We're trying to think SPRING but, all we can think right now as we look outside is Christmas...it is snowing to beat the band so to speak...our benches in the back yard are completely covered, there is no sign of anything the snow is that deep...but then, I guess this is the price you have to pay if you want to live in Northern Michigan...other parts of the States are also having their share of snow but, they haven't had it as long as it has been for up here...I can hardly remember what green grass looks like...maybe it's just that we're getting cabin fever, but dang it all, for one, I've had enough...

We smiled Blue again this week, even though they were real close games, the Big Blue held onto first place in the Big Ten with victories over Iowa and Minnesota...even their rivals Michigan State helped them out Saturday by beating Iowa and giving U of M a two and a half game lead...now the State Spartans are looking for a win at Ann Arbor this Saturday to return the favor to the Iowa Hawkeyes...it should be interesting...

About unsigned letters to the editor...

We have mentioned many, many times that letters we receive that are not signed, or are signed a concerned person or citizen, or the name is just typed, become a product of our wastepaper basket...the writer has wasted their time and ours by even sending it to us...there is no way we will publish an unsigned letter...

About letters requesting name withheld...

This again is a different aspect of letters to the editor that must be dealt with differently...these are similar to unsigned letters but, are signed, and there are times we will publish the letter and withhold the name when we feel there is a possibility of reprisal on the writer...however, this only concerns a letter against a public official or an elected group, which are so-called fair game for contradiction...it does not mean taking to task a private individual when a person has a pet peeve...the letters column will not be used for personal vendettas between two persons, or groups as this could be carried on forever...

Editorial commentary in Letters to the Editor implies neither endorsement nor approval by the Crawford County Avalanche and its staff...

This about takes care of this week's turkey, so we will bid T.J., Stefany and Amber goodnight, and to all of our readers have a nice weekend, and really try and THINK SPRING...we've had enough of the white stuff...

Here for the Winter Sports Carnival weekend were Dr. and Mrs. Carl Rasak, of Birmingham, at their Lake Margrethe cottage.

The Lawrence Hunters had every storm window in their home cracked during the recent cold spell when the thermometer read 35 below zero at their house. The cracks were letter S and C shaped, rather than straight lines.

Dr. and Mrs. B.E. Henig and daughters Claudia and Bettina drove to Detroit Friday to visit his mother, Mrs. Clarence Henig, until Sunday, bringing her back with them on their return. Dr. Henig on Saturday attended classes at Kingswood School Cranbrook with his daughter Jeanette, that being the form which this year's fathers' day observance took. The Misses Gretchen and Candace Henig remained at home because of illness, their grandfather, Clarence Henig, who came ten days ago, staying with them.

Guests of the Arthur Carlson family the winter sports carnival weekend were Mr. and Mrs. Raymond Root and family of Battle Creek. The remainder of the week five of the Carlsons entertained the flu.

Dr. Paul Junttila leaves Thursday for Aspen, Colorado, to enjoy two weeks of skiing. He will join friends in Chicago for the trip.

Mr. and Mrs. Charles E. Decker had a baby daughter born February 19, whose name had not been chosen. She weighed 4 lbs. 15 ozs. Mr. and Mrs. Frank Decker are grandparents.

Mr. and Mrs. Bill Koernke and daughter Susan are spending a few days in Jackson visiting their son James and other relatives.

Mr. and Mrs. Tom Hilton and children of Lansing visited his parents, the George Hiltons, the weekend of the winter sports carnival.

Sheila McWilliams, daughter of Mr. and Mrs. Burton McWilliams, celebrated her twelfth birthday on February 13th.

Mr. and Mrs. Stan Thompson of Brutus spent Saturday with Mr. and Mrs. James Thompson in honor of their grandson Jeffrey James' second birthday.

Mr. and Mrs. Phillip Miller and daughter Debbie of Flint spent the weekend of the 10th visiting his parents, Mr. and Mrs. Marvin Miller. The senior Millers spent the previous weekend in Flint visiting them and also their other sons, Bernard and David and their families and their daughter, Miss Judy.

Last Saturday night the local Drewrys Match Game Team avenged an earlier loss to the Vacationland Bowling lanes team of Gaylord, there, by defeating the northern team by the score of 2704 to 2660 on the Legion Lanes. After falling behind by 29 pins after the completion of the first game, Drewrys came back with games of 923 and 923 to win the Gaylord outfit. The Drewrys team was led by Whitney Madsen with a 624 series, while Mac Fisher led the Gaylord team with a 621 series.

Sam Rasmussen left for Detroit Wednesday to attend the Detroit Builders' Show which is being held there this week.

Mr. and Mrs. Stuart Jones (Ruth MacNeven) of Lansing were guests of the latter's parents, Mr. and Mrs. James MacNeven, over the weekend.

Nels Corwin and daughter Ruth returned Wednesday from Indianapolis, where they had been visiting his daughter, Mrs. Eugene Baker, for the past week.

Mrs. George Kraus, daughter Elaine and five high school friends spent the weekend at the Kraus summer home at Lake Margrethe and enjoyed ice fishing and tobogganing at the Winter Sports Park.

Mr. and Mrs. Joseph Gildner are receiving congratulations on the birth of a son, February 23.

For the pleasure of her daughter, Nelle Kerry, Mrs. Fred Welsh entertained five young girls at a surprise birthday party Tuesday evening. The guests included Rosemary Charron, Jeanne Hanson, Mildred Smith, Jane Milnes, and Billyann Clippert.

Maxine Irene is the name of the little daughter born to Mr. and Mrs. Sam Horning on February 15, and who tipped the scales at exactly seven pounds. The little girl has two older brothers.

The official temperature report from the Grayling Fish Hatchery this morning was 2 below zero at 7 o'clock. The sleet storm that started Saturday has left the roads slippery and not even the occasional sunshine can melt the ice and snow on the roads in town.

The Bible Speaks

From Calvary Baptist Church

HISTORY OF CREMATION

Cremation goes back in history to the customs and practices of the ancient heathen world. Aryan folklore implies they were one of the first cultures to venerate fire. They disposed of their dead as they gathered around their camp fires. Nomadic tribes practiced cremation and carried cinerary urns containing the ashes of their loved ones with them in their wanderings. The Viking dead were placed in their boats, which were set on fire and pushed out to sea. Cinerary urns have been found in the rugged country of Russia and Scandinavia. Cremation is still widely practiced in India among the Hindus as part of their religion. However, the British government in 1829 stopped widows in India from throwing themselves on the funeral pyres of their dead husbands while they burned.

Cremation was practically the universal custom in the last days of the Roman Empire. The Romans were greatly influenced by the Greek idea that in the rite of cremation, fire crested every living thing and that to free the soul from the bonds of matter, the body must be reduced to its original elements by flame.

It was Christianity and the doctrine of the resurrection of the dead which ended cremation as a custom in the western world. The Roman Catholic church issued an edict which caused Charlemagne to outlaw cremation around A.D. 800. Because the custom was so deeply rooted among the Saxons, the death penalty was instituted to suppress its practice. The Encyclopedia Britannica says that, "There can be no doubt that the practice of cremation in Europe was at the first stopped, and then prevented, in great measure, by the Christian doctrine of the resurrection of the body, partly also by the notion that the Christian

body was redeemed and purified."

The revival of cremation goes back to 1869, when Italian scientist, Brunetti, devised a modern type of cremation which has been greatly improved and currently operating in hundreds of crematoriums in America. There are some Christians who ignore both Bible example and historical tradition to support cremation. Many are ignorant of both history and the Bible on this subject. The greatest error is to choose cremation in rebellion against better light and judgment.

Library News

Memorial books donated to the library from Cornells are: "Gifts of Food" for Corrine Wolcott, "Prince of Peace" for Nels Johnson, "The Sicilian" for Svend Madsen, "World Atlas" for Carl Hanson, "World Almanac & Book of Facts 1985" for Anna Riness, "Fatal Signs" for Esther Hoerl. Also "Julie" for Beverly Wells, "Solstice" for Louise McCall, "Information Please Almanac" for Berdie Lehner and "McCalls Big Book of Bazaar Crafts" for Grace Henning.

Three books were given in memory of Martha Madill from Edith Long, Allen & Claudette Elzinga and Fred & Sharon Allen. They are "Illusions of Love", "Briarpatch" and "Voice in the Night." Mary Jane Knibbs gave "Felony Report" for Louise McCall; Luke and Pauline Petrosky donated "No Greater Love" for Sophia Pinko; and Paul and Judy Mesack gave "Bright River Trilogy". Other books for Sophia Pinko are "Complete Guide To Your Child's Emotional Health" and "The Grey Beginning" from Mr. & Mrs. James Parkison, Mr. and Mrs. Ray Perez, and Marlin Friske.

C.F. Fick and Sons gave "Foxfire 8" for Nels Johnson and "Mobil Travel Guide to California and the West" for Tom Morris. "Chase's Annual Events 1985" was given in memory of Carl Hanson from Don and Dorothy Sorenson; "Stage Make-Up" for Margaret Challenger was given by Tom and Georgianna Stencil and "Discover Michigan" from Bill and Marion Joseph was placed for Max Ferguson.

Two books were presented by the Nels Johnson memorial fund. They are "House Wiring" and "National Electrical Code Handbook 1985." Michael, Mary and Marcus Bobenmoyer gave "Super Adam and Rosie Wonder" in memory of their aunt Gloria Rasmussen. "A Time For Trumpets" for Tim Dailey was given by Werner and Diane Christman and the James W. Baker family donated "Anne Frank; The Diary of a Young Girl" for Beverly Wells.

Friends of Arthur Williams gave the record "Snoopy's Christmas" and the Grayling Elementary staff donated "Guide to the 1984 National Electrical Code."

The library wishes to announce a new memorial policy now in effect. The purchase of a memorial book may be made for the price of the volume. We have a selection to choose from or one may be ordered from our standing list. A memorial fund for the purchase of books, materials or equipment may be established with a minimum contribution of \$10.00. Use of the monies will be at the discretion of the librarian.

Grayling Elementary Kindergarten Round-up

Registration for the 1985-86 kindergarten class will be held on March 6 and 7 at the Grayling Elementary School. Children who will be 5 years of age on or before December 1, 1985 are eligible to enroll for kindergarten.

Registration will be done by appointment only from 9:00 to 11:30 a.m. and 1:00 to 3:00 p.m. on March 6 and 7. Please call the school (348-7641, ext. 46) to schedule your appointment. If you are not able to attend the registration on March 6 or 7 it is extremely important that you contact the school by February 22 to discuss other arrangements.

Early registration of kindergarten children is extremely important as State requirements must be met before a child can be permitted to attend school. Children entering a public school in Michigan must meet immunization requirements, have vision and hearing testing, a physical exam, and produce a certificate of birth. Vision and hearing screening will be held on March 18, 19, and 20. Clinics for physical exams will also be scheduled for this spring. All children registered for kindergarten will be scheduled with appointments for these clinics. Immunization clinics are held monthly at the Health Dept.

I urge you to enroll early and attend the preschool clinics to prepare your child for school. Children not meeting State requirements will not be permitted to enter school.

Please bring your child's immunization records and birth certificate for registration. If you do not have these documents, but intend to enter your child in school in September, please call the school at once.

Valentine's Dance Held Feb. 8th

Fun and excitement was shared with the Middle School students Friday evening February 8th with a Valentine's Dance sponsored by the Crawford County 4-H leader council.

During the evening a Lip Sync contest was performed and enjoyed by all. Trophies and medals were awarded to the three top teams.

First place was won by Andrea and Joell Schans, Second Place was won by James DeVriendt, Jeff Schreindl, Grant Armstrong, Ryan Hindmarsh, Teddy Connoy.

Third place was taken by Cheryl Barber, Jannice LaDuke and Sheryl Klinger. A special medal was presented to Lucio Saraiva, a foreign exchange student, from Brazil with his rendition of Little Richard.

Judges for the contest were Chris Wright from WQON and Kenny Kent, from WGRY. Our thanks go to them for the fine job they did.

Special thanks are given to Fred Hinkle who donated his time and equipment and turned our dance into a big success. Thanks is also given to all the parents and 4-H leaders who donated cookies, chaperoned and worked behind our refreshment counter. Also to the Pepsi Cola Co. for donating the pop. Winter Health Hints

A sore throat can warn of more serious illness—particularly if it persists for several days, even though other cold or flu symptoms don't materialize. Although there are medications which can bring temporary easing of the sore throat discomfort, the cure can be launched only by your physician.

Flu is best treated by rest, drinking fluids and eating lightly. Aspirin can help reduce discomfort, and cough medicine often affords relief. "Beyond that, the disease must run its course," California Medical Association advises. If fever is high or persists, a doctor should be consulted, since other diseases also may be present.

Local Company Provides Entertainment Opportunity

Le Coache Tours, a local group tour and charter bus agency and one of the area's newest businesses, is making it possible for local residents to take advantage of an exceptional entertainment opportunity. Gordon MacRae, best remembered for his portrayal of Curly in the film version of Rogers and Hammerstein's "Oklahoma" is making a rare Michigan appearance early next month.

Radio listeners still recall the six years Gordon was the singing star of the Railroad Hour. He also appeared in the leading roles of "Carousel" and "The Best Things in Life are Free". His latest achievement was the starring role in the hit show "I Do, I Do".

MacRae will be performing music from these shows as well as other smash hits of his long and successful career on the live stage of the Bavarian Inn in Frankenmuth on Saturday, March 9.

Persons who would like more information about the Gordon MacRae show and transportation to the show by Le Coache Tours may call 348-7611.

Pay-setting System Faulty

by Richard Milliman

IT SHOULD COME as no surprise that the Michigan Legislature permitted a pay increase to be handed to themselves — and to other top elected state officials — without taking a vote on it.

Under the rather odd system we use in Michigan, a special commission of citizens recommends pay levels for lawmakers, the governor, lieutenant governor and state supreme court justices. These levels become effective unless the legislature rejects them. In other words, no action means approval.

Members of the pay-setting commission, incidentally, are appointed by the governor and the state house and senate; each group has a few picks. Since this screwball system has been operating, the lawmakers have never rejected the commission's findings — which have always been either for more money or for continuation of existing levels. Surprise.

THE LATEST BOOST sends lawmakers' pay to \$34,860 a year, going to \$36,520 next year. That's a five-percent raise per year. The governor's pay goes from \$78,000 to \$81,900 this year; the lieutenant governor from \$53,500 to \$56,175, and supreme court justices from \$74,000 to \$77,700. A similar raise for these jobs is set next year.

And there never was a vote in the legislature on any of this; the automatic system works instead.

"I've argued to my constituents that if they are concerned about pay hikes they should go to the commission," reasons Rep. Lynn Jondahl of East Lansing. "It's a mistake for the legislature to get into that hassle."

Nonsense, That's exactly the type of hassle the legislature should get into. Who's better qualified to decide how the taxpayers' money is to be spent than the members of the legislature who are elected by the people for exactly that reason?

What Mr. Jondahl means, of course, is that setting pay levels is a tough proposition and highly unpopular. That's why he and others prefer the insulation.

IS THE PAY boost deserved? There are two sides to the question.

"They pay a high price for being here and they are not overpaid," said Rep. Dave Hollister of Lansing, about lawmakers. "They put in a lot of hours and take a lot of abuse."

"I know it's not as much as the Oldsmobile workers make, but I think it's sufficient," said Rep. Ernest Nash of Dimondale.

"As an individual member of the Legislature, I'm not receiving enough money for the work I do," said Rep. Dominic Jacobetti of Negaunee, sounding a bit like football millionaire Doug Flutie.

Some legislators turn part of their pay back to the state, or donate to some charity, as a protest against pay increases.

Then there's the comment by Sen. Harry DeMaso of Battle Creek, who said: "The present time isn't the best time to be taking a pay increase, since we still have a state debt."

AS FOR the other increases, the governor's level at \$80,000-plus is still 25 percent below most state college or university presidents, most of whom are in the \$100,000 range.

One big problem with the supreme court pay adjustments is that they resound throughout all of state and local governments, because the pay levels of other state judges as well as circuit court and probate court judges are figured on a percentage basis starting with the supreme court.

Are the pay increases justified? Who is to tell? That's for every voter and taxpayer to decide in light of individual opinion.

The problem with the system we have now is that the taxpayers are far, far removed from the final decision on how much they want to pay their state public officials.

The State Officers Compensation Commission is now part of the state constitution, having been put there a few years ago by a vote of the people.

It's time we took a new look at taking it out again.

POW — MIA — A.L.A.N. — Pictured above, (l to r) at the American Legion Club are: Pat Gunton, Sgt.-At-Arms; Sharon Rubey, Aux. President; Marty Kitchen, 1st Vice Commander, and Larry Haske, Sgt.-At-Arms.

In Michigan we have 77 families who are sitting at home, waiting to hear from their loved ones, who have not come back from Viet Nam.

We have an organization called POW-MIA (Prisoner of War-Missing in Action). These families will never give up hope, that their sons, husbands or fathers might come back home. The black flag that you see flying at the American Legion, is a symbol of these MIA's. The American Legion Auxiliary Unit 106 presented our post with the flag, at one of our meetings.

On January 27th, the United States celebrated the cease-fire in Viet Nam, and asked that whoever has a POW flag, would fly it for the Viet Nam veterans. By Laurie Jensen.

Dental Decay Prevention Stressed by Area Dentists

Today, more and more people are keeping all or almost all of their own teeth well into their adult lives. Unfortunately, many of these same people do not see a dentist regularly. "Why should I?" they ask themselves. "My teeth don't hurt. When they start hurting, I'll make an appointment."

Whether they know it or not, the chances are good that they've already got a problem — periodontal disease. Three out of four adults are affected by at least the early stages of this disease, the major cause of tooth loss among adults. Often, periodontal disease doesn't hurt at all, even when serious damage has been done to the structures supporting the teeth.

Periodontal disease usually progresses slowly, over the course of many years. In the early stage, called gingivitis, only the soft tissue of the gums has been affected. The disease is still reversible. If not treated by a dentist, however, periodontitis, the later stage of the disease, may develop. In this stage, the gums, bone, and other structures that support the teeth become seriously damaged. If the disease does not receive extensive treatment, teeth may be lost.

The cause of periodontal disease is plaque, a colorless, sticky film of bacteria that constantly forms on the teeth. The bacteria in plaque make by-products that irritate the gums. If plaque is not removed daily, the gums become red, tender, and swollen, and start to bleed easily. Over a period of time, the unremoved plaque hardens into a deposit called calculus (tartar). Calculus makes the removal of new plaque more difficult, thus contributing to periodontal disease.

As the disease progresses, the tissue that attaches the gums to the teeth is destroyed. The gums pull away from the teeth, forming small pockets. Plaque moves down along the roots of the teeth, making the pockets deeper. Eventually, the bone supporting the teeth may be destroyed. Unless they are treated, the affected teeth become loose and fall out or must be removed.

So much for the bad news about periodontal disease. The good news is that this disease can be treated. Often, in the early stage of the disease, the only treatment needed is scaling and root planing. Scaling is removal of calculus deposits on the teeth. Root planing is the removal of calculus and smoothing of the root surfaces so that the gum tissue can reattach.

Sometimes, in addition to scaling and root planing, curettage is performed. Curettage removes the soft tissue that lines the periodontal pocket, which helps the gums to heal.

If pockets are deep (over 5 mm) it is often difficult for the dentist or dental hygienist to remove calculus deposits from them. It is also almost impossible for patients to keep deep pockets clean and free from

plaque. As a result, these pockets often become sites of infection, which may lead to bone destruction. Consequently, in advanced periodontal disease, surgery is sometimes a necessary part of treatment. The goals of surgery are to remove calculus from deep pockets, to reduce the pockets, and to arrange the soft tissue into a shape that will be easier to keep clean.

Take a good look at your mouth in a mirror. Are your gums red, swollen, or tender? Do they bleed easily? These are some of the warning signs of periodontal disease. Don't wait until your teeth hurt to call your

dentist. Make regular appointments for professional dental care, and avoid losing teeth to periodontal disease. It'll hurt a lot less in the long run!

Michigan Mirror Project Self Reliance Placed 37 Percent of Participants in Permanent Jobs

Warren M. Hoyt, Executive Dir., MPA

A final report from Project Self Reliance indicated the program succeeded in placing at least 37 percent of its participants, all welfare recipients, into permanent employment.

Department of Commerce Director Doug Ross, who headed the program which expired on January 31, said changes are needed in both the welfare system and in the private sector to encourage persons to seek work and provide them with available jobs if the program is to have "radical" reductions in welfare rolls.

Under Project Self Reliance, which began in April, 1984, 7,000 community service, minimum wage jobs were made available to welfare recipients. Ross reported some 20,000 recipients applied for the openings.

The number of applicants showed "the work ethic is alive and well," he said.

When the project was complete, some 2,600 of the 7,000 applicants, or 37 percent, had found permanent jobs in either private corporations or municipal governments.

Ross said the jobs tended to be better paying than he had expected. For example, Self Reliance participants who found jobs in the Detroit downriver area were being paid an average of \$5 an hour compared to the \$3.35 an hour minimum wage jobs the project provided.

Approximately 25 percent of those in the program had a strong motivation to work, but lacked marketable skills, and they have enrolled in job training programs, he said.

But a large share of the program's participants, 36 percent, were unable to convert their work experience into permanent jobs and through them the program discovered a number of barriers to reducing the overall welfare rolls, Ross said.

One barrier is that many recipients have grown dependent on welfare and lost their confidence to pursue jobs.

Ross said he did not think welfare assistance was too high, but that the combination of benefits and "their leisure" means that lower skilled jobs "are not competitive" enough to compel recipients to leave welfare.

The second phase of Project Self Reliance will need strengthened work incentives to

encourage more recipients to get off welfare, Ross declared.

Along with those problems, he said another problem is that the private sector has been converting the low skill jobs that welfare recipients must depend on — in such places as supermarkets, restaurants and hotels — into part time jobs without benefits. Those changes make the jobs difficult for a primary wage earner to hold, he said.

Ross said the second phase of the project would serve more people, even though it would be budgeted with less money.

The first project was budgeted approximately at \$21.5 million and Ross said he expected the project would only be budgeted at some \$10 million in the upcoming fiscal year.

But, the project would be able to help more people by helping them into the permanent job market without having them work on community service jobs, he explained.

STATE CHAMBER TO BACK INCOME TAX ROLLBACK

Officials with the State Chamber of Commerce will back an accelerated income tax rollback to 4.6 percent before January 1, 1986 and a constitutional amendment permitting voters the right of referendum on all tax legislation.

Chamber President James Barrett said the best way for state government to provide working men and women of the state with tax relief is not to collect the money in the first place.

Currently, the 5.35 percent income tax rate is to revert to 4.6 percent in October, 1987, and Governor James Blanchard has opposed any proposal to roll the tax back before that date.

House and Senate Republicans, however, have called on the Governor to support a rollback to at least January, 1986.

Barrett said adoption of a constitutional amendment granting the right of referendum on tax legislation could help relieve voter frustration which has led to legislative recalls and attempted "radical" tax proposals such as the Voters Choice proposal which was defeated in the last election.

Kirtland to Present "Never Too Late"

The Kirtland Community Players in conjunction with the Performing Artist Series are presenting the domestic farce, "Never Too Late", by S.A. Long, on Friday and Saturday, March 1st and 2nd at 8 p.m. and on Sunday, March 3rd at 3 p.m. in the Stewart Auditorium on Kirtland's campus. There is a special Dinner/Theatre option Friday.

The humorous play presents a middle-aged woman, Edith (Jeanne Meier, Higgins Lake), who has the difficult task of breaking the news of her pregnancy to her irascible husband, Harry (Bill Garden, St. Helen), her daughter Kate (Irene Marie

Myers, St. Helen) and her son-in-law Charlie (Randy Thomas, Houghton Lake). Harry wants to keep the pregnancy a secret and takes to wearing disguises in public, but of course in less than a day the whole town knows of Edith's "condition" and even the Mayor (Byron Erickson, Roscommon) strolls over to offer his congratulations. Harry feels humiliated and can not quite grasp the idea raising a baby when he is really looking forward to fishing trips in his retirement years. Edith is, of course, ecstatic over the news and immediately begins dragging her hard-nosed husband around to all the baby shops in town. More complications are added by Charlie and Kate who reside in the homestead with Harry and Edith and have family problems of their own.

After several humorous events involving the Mayor, the installation of a new bathroom and a night on the town, all is resolved cheerfully for everyone.

Tickets for the play and the dinner/theatre are available at: Roscommon Hardware, Higgins Lake True Value Hardware, Flowers by Josie, Kirtland Community College Bookstore, and Crawford County Arts Council/WGRY radio station.

Resource Review

By Bruce Patrick
Conservation Officer

Although it is hard to believe, considering the recent snowstorm, lengthy days and the calendar remind us that spring break-up is right around the corner.

A perennial problem this time of year is dogs chasing and killing deer. A couple of warm days to put a crust on the snow and unthinking or uncaring dog owners set the stage for annual slaughter. Slaughter may seem a harsh word, but in many cases it is correct. I have seen places where a dozen deer had been killed over a couple of days by two or three dogs. I have seen pictures of a deer which had been literally stripped of its hide. The deer was still alive and had to be killed by the investigating officer when he arrived at the scene. For the most part, deer are simply killed or maimed, and the dogs set off after another.

The sad part of this is that by and large the dogs involved are family pets. In many cases, house dogs. It is not unusual that the pet which is sitting on the step when the owner goes to work and returns from work has spent the time between chasing deer.

The dog owner is responsible for the activities of his dog and is required by the dog law (Act 339, P.A. 1919) to keep his dog under control. The owner may also be liable to the state for any wildlife killed by the dog. "Owner" means: "every person having a right of property in the dog, and every person who keeps or harbors the dog or has it in his care, and every person who permits the dog to remain on or about any premises occupied by him."

Any law enforcement officer may kill a dog determined to be molesting wildlife.

Please accept your responsibility as a dog owner and keep your pet tied.

center for chemical dependency **birch wood**

**What is alcoholism
and why is it
considered a
chemical
dependency?**

Chemical dependency occurs when a person becomes physically and/or psychologically reliant on a chemical substance such as alcohol, pills or "street drugs". Because alcohol is a sedative drug, alcoholism is considered a chemical dependency.

Above all, alcoholism is a disease. A disease that affects men, women and teenagers in ever-increasing numbers and usually involves the use of more than one drug. The use of other drugs or chemicals such as sleeping pills, valium or marijuana, in combination with alcohol is called cross-dependency.

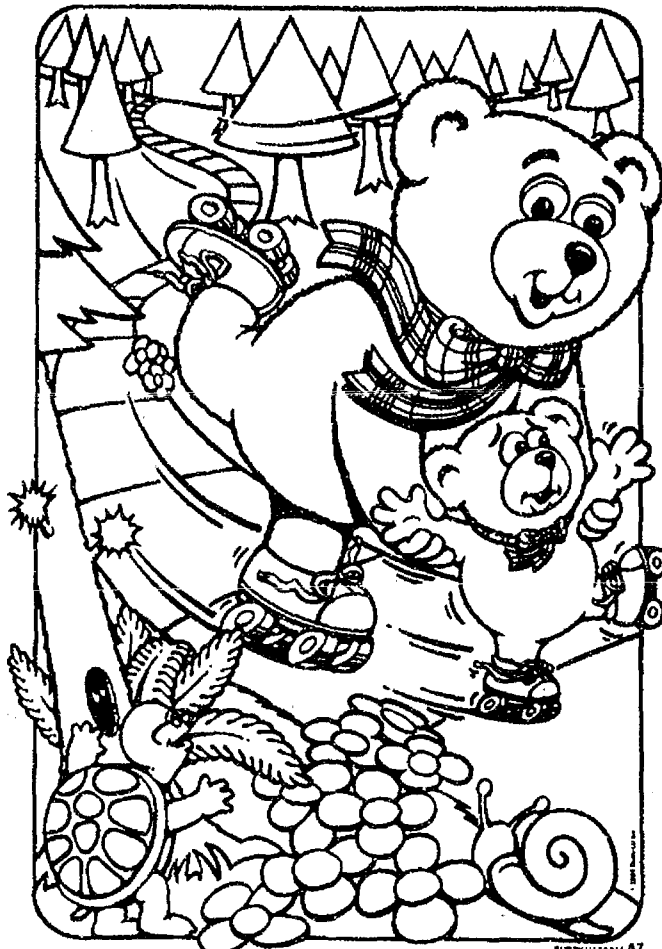

A 28-day residential treatment center for alcoholism and other chemical dependencies is now open at Alpena General Hospital.

Cookies Count For Girl Scouts

Girl Scout Cookie Time

Mention Girl Scouting to a group of people and, almost without exception, someone will make a comment about cookies. That's not surprising. Through half a century, the American public has wholeheartedly supported the Girl Scout cookie sale. Smiling, uniformed Girl Scouts ringing doorbells or standing behind tables at shopping centers are easily recognized and eagerly supported throughout the country.

Any adult who has worked with Girl Scouts knows that Girl Scouting is more than cookies, but also that the cookie sale is really an integral part of the whole Girl Scout program experience. Selling cookies gives girls the opportunity to develop business skills, take on new and greater responsibilities, and learn how to work more effectively as members of a team. Their adult leaders guide them in learning basic money management, as well as beginning sales and marketing techniques. The whole process of planning, organizing, carrying out, and following up on the cookie sale is an extremely valuable learning experience for girls. And it's fun, too.

In the minds of adults who help conduct it, the Girl Scout cookie sale conjures up a variety of images. To some, selling cookies means filling out forms, charges, and more forms. It means being prepared for calls from girls, parents, or customers. And it means doing the hundred-and-one odd jobs that no one ever told you about. So why do adults volunteer to help with the cookie sale anyway?

One reason is that they value the opportunity it gives them to foster responsibility, leadership, and decision-making skills among their young troop members. They see the positive results of helping girls decide what their goals are, whether these goals are realistic, and how much they'll have to earn to make their projects and their fun possible.

Some Girl Scouts adults offer their services for the cookie sale because it gives them a chance to make one of the most significant personal contributions to Girl Scouting in their area. By helping girls organize and carry out the cookie sale in the best way possible, these adults are helping increase sales. And, of course, an increase in sales means an increase in the proceeds for troops and the council.

At the troop level, the proceeds are used to provide needed troop supplies, finance trips, pay annual membership dues, buy camping equipment, and make possible the special projects and activities the girls themselves decide upon.

For many councils, proceeds from the cookie sale constitute a sizable portion of their income and help them provide necessary services for girls. The proceeds are used, for example, to maintain program and camping facilities, provide program activities and materials for girls, recruit and train adult members, and extend Girl Scouting to

even more girls throughout councils' jurisdictions. It is really the selfless efforts of Girl Scout adults involved in the cookie sale that help make all this - and more - possible.

Despite last spring's experiences, the American public has kept its faith in the Girl Scout cookie sale. Parents, teachers, and other individuals, as well as community leaders, businesses, and service organizations all over the U.S.A. showed that faith by rallying around their local Girl Scouts and continuing to support their neighborhood cookie sales. People called council offices to order cookies that had been returned or left unsold, many made extraordinary contributions, and hundreds offered material and moral support. And through it all, many Girl Scout adults responded with extra efforts to reassure customers and girls.

Through the cooperation and prompt investigations of the FDA and FBI, Girl Scouts and the American public were reassured about the quality of Girl Scout cookies. That was the best news for all of us.

Girl Scouts will, of course, be selling cookies again this year and for many years to come. A fifty-year tradition and millions of supporters is hard to beat. No other money-earning project could offer the winning combination of valuable learning experiences and funding for troop and council activities that the cookie sale does. And, as always, the generosity and commitment of adult volunteers will ensure a successful sale.

Free Shade Trees For Spring Planting

The National Arbor Day Foundation is giving ten free shade trees to people who join the nonprofit Foundation during February, 1985.

A Sugar Maple, Weeping Willow, Red Oak, Green Ash, Thornless Honeylocust, Pin Oak, Silver Maple, Tulip Tree, European Mountain Ash, and Red Maple tree will be given as part of the Foundation's campaign to encourage tree planting.

These trees were selected because they provide flowers, berries and nuts, in addition to shade and beauty, according to John Rosenow, the Foundation's executive director.

The Foundation will give the ten free trees to members contributing \$10 during February. The six-to-twelve inch trees will be shipped between this spring between February 1 and May 31 when conditions are right for planting. They will be sent with enclosed planting instructions, and are guaranteed to grow or they will be replaced free by the Foundation.

To become a member of the Foundation and to receive the free trees, a \$10 membership contribution should be sent to SHADE TREES, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE 68410, by February 28, 1985.

Will Sponsor Lenten Services

For the third consecutive year the AuSable Ministerial Association will sponsor its Lenten series entitled "A Journey of Faith." It is a program of fellowship, prayer, and spiritual sharing.

The program will utilize the noon hours of the first six Thursdays of Lent, beginning on Thursday, February 21st. All sessions will be held at the St. Mary's Family Center.

You are invited to bring a sack lunch. Coffee will be provided. At each session a lay person from one of the local churches will give a short talk about his or her faith journey and will conclude with prayer. Each program will be done by 1 p.m.

St. Francis Episcopal Church will be the host church for February 21st.

You are most cordially invited to attend this enriching Lenten series.

8 GHS Wrestlers Advance to Regionals

Eight Viking wrestlers advanced to regional action after placing in the top four at district action in Grayling Saturday.

Grayling had eight of its ten wrestlers qualify for regionals and three GHS matmen won titles.

Tim Moore, at 138 pounds, Ron Wyman, at 145 pounds, and Barsie Cross, at 185, took first place in their weight classes competing

with wrestlers from 13 teams.

Moore pinned an opponent from Clare in two minutes and 30 seconds, beat an Onaway opponent 10-0, and had his Kalkaska foe default in the finals.

Wyman pinned his Onaway opponent in 56 seconds, beat a Kalkaska foe 4-0, and beat a Rogers City wrestler 7-2 in the finals.

Cross pinned a Coleman wrestler in 33 seconds, pinned a Clare foe in three minutes and 14 seconds, and beat a Pine River opponent 8-1 in a match that head coach Don Ferguson called a "brawl."

Buck Monforton, at 98 pounds, Mark Lowe, at 105, and Tim Colling, at 112 pounds, all freshman for GHS, took second places.

Monforton beat a Rogers City wrestler 10-0, pinned a Montebella foe in 19 seconds, and beat a Roscommon opponent 17-0 before losing to a Pine River wrestler.

Lowe beat a Montebella foe 17-4, pinned a Charlevoix wrestler in three minutes

and four seconds, before losing in the finals to a Kalkaska foe.

Colling pinned a Charlevoix wrestler in three minutes and 22 seconds, beat a Pine River opponent 17-0, before losing to a Coleman foe in the finals.

Ward Jones, a freshman at 138, and Lance Davis, at 198 pounds took fourth places to qualify for regionals. The top four wrestlers advance in each weight class.

Jones pinned a Charlevoix wrestler in one minute and 21 seconds and defeated a Tawas foe 1-0 in overtime before losing to Kalkaska and Montebella wrestlers.

Davis pinned a Clare wrestler in one minute and 24 seconds and pinned a Pine River opponent in three minutes and 57 seconds before losing to Kalkaska and Traverse City St. Francis wrestlers.

Monforton's season record is now 32-12, Lowe is 18-11, Colling is 17-13, Moore is 34-8-2, Wyman is 22-4, Cross is 14-0, Davis is 18-16, and Jones is 21-17.

Grayling placed second in the district in team points 147½ to 187 for first place Kalkaska. Regional action is Saturday at Montebella.

4 Grayling Skiers Earn League Medals

Grayling skiers earned eight individual medals at the 1985 league - the most in GHS history.

Heidi Derenzy, Kris Laudenslager, Pete Huss, and Alan Weiss each won two medals in the Michigan Huron Shores Conference ski

meet Feb. 11 among nine teams.

Derenzy took first place in the slalom and second in giant slalom, Laudenslager took first in giant slalom and second in slalom, Huss took second in slalom and third in giant slalom, and Weiss took sixth in giant slalom and

seventh in slalom.

The Grayling girls finished second among nine teams behind Charlevoix. Although Grayling held the top two spots in both races, Charlevoix bunched all their racers in the next four to six places after Grayling.

The Grayling boys finished third behind Petoskey and Charlevoix.

Other finishers for Grayling in the girl races were Carol Longworth 15th and 20th, Julie Huss 31st and 14th, Cari Longworth 17th and 52nd, Heather Derenzy 37th in slalom and Pam Lange 30th in giant slalom.

For the boys, Mark Gust placed 16th and 19th, Kevin Reynolds 17th and 21st, Jason Welser 20th and 22nd, and Greg Welser 55th and 17th.

Volleyballers Win 9th Dual Match in a Row

Grayling won its ninth dual match in a row Monday night at home to raise their match record to 9-1.

The Viking volleyballers came from behind to beat Lake City 7-15, 15-9, 15-9, and 15-1.

"Once we got going, we were okay," head coach Becky Brown said. "Lake City had some tough servers and we had some problems getting our passes under control."

Snowstorms and strong winds have cancelled several Grayling matches causing two problems for the Vikings. First, they went more than a week without a match, and now league matches are piling up on them.

Beth Bedard led Grayling in serving hitting 14 of 15 serves in and scoring 12 points. Rochelle Campeau scored 12 points on 14 of 17.

Piper Ostrowski led in spikes with 16, Shelly Denton had 14, and Dawn Phelps 7. Michelle Barber added a

crowd-pleasing "crusher" spike that bisected the two end lines.

Denton and Denise Pittman led the defensive play for Grayling.

Grayling was 13 for 13 in tips over two big girls from Lake City. Grayling also was 100 percent in setting with Shannon Krayes leading the team. Denise Pittman started in her normal setting position and also filled in as a hitter.

Grayling is 13-6 overall with tournament matches added to dual matches.

The Grayling J.V. team won again with a 16-14, 15-1, 15-10 win over Lake City. Chris Schwartz, Julie Brooks, and Sue Casler led the play for Grayling.

Undefeated Teams Beaten in League

Two undefeated teams in the Grayling Basketball League were handed their first losses Thursday as Custom Forest beat Chief Shoppenagons 54-50 and Media Madness beat Mercy Hospital 34-31.

Custom Forest, led by 23 points from Trenary, won their first game of the year while giving the Hotel their first defeat in two years in the league. L. Madill added 11 for Custom, Morrill had 10, Aguillon 6, and Burr 2. Custom is 1-4 for the year.

The Hotel was led by Wolcott with 15, Hayes with 12, Alexander with 7, Klinger with 6, Ullery 4, Horton 4, and Smith 2. The Hotel is 5-1.

Media Madness held Mercy Hospital to 2 points in the final quarter to hand Mercy their first loss.

Roberts scored 12 for Media, Houghton had 10. R. Harland 6, Weaver 2, Johnson 2, and M. Harland 2. Media is 4-2.

Mercy was led by Bremer with 12, Langdon had 8, Holmes 6, Cook 2, Schoen 2, and Brunskill 1. Mercy is 4-1.

Glen's moved into a tie for 1st place with a 62-22 win over Mt. Hope. Narlock led Glen's with 27, D'Amour had 12, Hinds 10, Clark 8, Potter 3, and Ames 2. Glen's is 5-1.

Loco Law beat Michelson Memorial 42-34. M. Doremire had 16, Beckwith 12, Schreiner 7, Lovely 4, Golicnik 2, and T. Doremire 1. The Law is 3-3.

Michelson was led by Regan with 14, Seals with 8, Smith 6, Money 4, and J. Madill 2. Michelson is 2-3.

GTE beat AJD 47-34 with Juntilla scoring 23 to lead GTE. Rousseau added 16, Winniger 4, Raymond 2, and Trenary 2. GTE is 2-4.

AJD was led by Handrich with 9, Scott 8, Madsen 7, Skidmore 4, Gilman 2, White 2, and Izzard 2. AJD is 2-3.

Vikings Drop OT Game To St. Ignace 87-81

With district tournaments two weeks away, Viking coach Butch Hayes is wondering which Grayling team is going to show up to play.

Last Tuesday, the Vikings scored only 35 points in a sluggish 51-35 loss to Roscommon. Three nights later, Grayling hustled the entire game and scored 81 points in an exciting overtime loss to St. Ignace.

"It was a good game Friday and fun," Hayes said. "We trailed most of the game but the team kept fighting back with determination."

Grayling fell behind 42-32 at half but managed to cut into the lead by third quarters trailing only by five, 61-56. The Vikings caught St. Ignace late in the game and with 30 seconds left had a golden opportunity to sew up the game. Grayling was at the line shooting one technical with a three-point lead. The Vikings missed the one shot and then St. Ignace stole an inbound pass and scored.

Grayling missed a couple of free throws and St. Ignace tied the game. In the overtime, St. Ignace outscored Grayling 10-4.

"They looked more relaxed than us in the overtime and they scored well," Hayes said.

Grayling pressed the entire game and came up with steals but they also threw the ball away 25 times.

The exciting St. Ignace game was a stark contrast to the Roscommon ballgame played in the middle of a snowstorm at Roscommon.

Grayling fell behind 14-9 after eight minutes and could never get untracked offensively. They put up 54 shots and hit only 3 of 6 from the free throw line.

"It wasn't a good game mentally for us," Hayes said. "We didn't move the ball up and down court like we want to and we didn't penetrate their zone as well as we should have."

Patterson scored 9 for Grayling, Nicholas, Branch,

and Naghtin each had 8, and Erb scored 2. Patterson had 10 rebounds.

In the St. Ignace game, Gregg Burns and Rod Patterson came off the bench to score 45 points for Grayling. Burns led with 25 and Patterson had 20. Naghtin scored 12, Nicholas 11, Branch 7, Lovely 2. Patterson had 12 rebounds, Naghtin 9, and Burns 8.

The J.V. team pushed their streak to five in a row with a win over Roscommon 56-52 before falling to St. Ignace 60-55.

Grayling lost it at the free throw line against St. Ignace shooting 9 for 23 or 39 percent. They were ahead 24-3 after the first quarter but St. Ignace caught them after three periods to tie the game 46-46.

Against St. Ignace, Hull led with 13, Klinger had 12, McEvers 10, Palmer 10, Bacon 9, and McClellan 1. Against Roscommon, Bacon had 21, McEvers 12, Palmer 9, Klinger 6, Hull 4, Wolcott 2, and McClellan 2.

2nd Annual Loppet Draws High Level of X-C Skiers

Steve Landick, 32, of East Lansing, beat out 80 other racers Saturday to win the 2nd Annual Loppet cross-country ski race at Forbush Corners.

Landick finished the 26 kilometer (about 16 miles) race in one hour and 40 minutes. Robert Fox, 22, of the Northern Michigan University ski team, placed second overall at 1:41:01.

Butch Stockton, of Higgins Lake, won his age division, 35-39, and placed third overall despite fighting an illness all week. Stockton, 36, came in at 1:43:41.

Rounding out the top ten were Bill Brundage, 34, of Traverse City, 1:44:27, Jim Hunt, 36, of Rockford, 1:45:15, Dick Fultz, 35 Grayling, 1:45:18, Matt Vajda, 24, Traverse City, 1:45:49, Ken Leonowicz, 36, of St. Clair Shores, 1:46:05, Ron Ernberger, 30, Harbor Springs, 1:47:53, and John Kasik, 25, Roscommon, 1:48:42.

Alexander Creitz, 30, of Ann Arbor, won the women's division and placed 28th overall at 2:08:46.

Cheryl Gabalis, 16, of Roscommon, won the 17-and-under women's with 2:40:30 and Anjanette Pratt, 14, of Frederic, was second with 3:19:48.

Diane Lee, 21, of Grayling won the 18-22 women's divi-

sion with a time of 2:25:37. Beth Richmond, 28, of Houghton Lake, took second with a 2:30:38.

Kasik won the men's 25-29 division and Louie Madill, of Frederic, took fourth with a 2:41:23 in his first cross-country race.

Fultz was another local racer finishing high in his age division taking third in the 35-39.

The skiers raced in ex-

cellent conditions at Forbush. The race was organized by Mike Pryor with contributions from Terry Misener Ford of Grayling and Roscommon, Chemical Bank North, Grayling Holiday Inn, AuSable Woodworking of Frederic, and Pepsi Cola of West Branch.

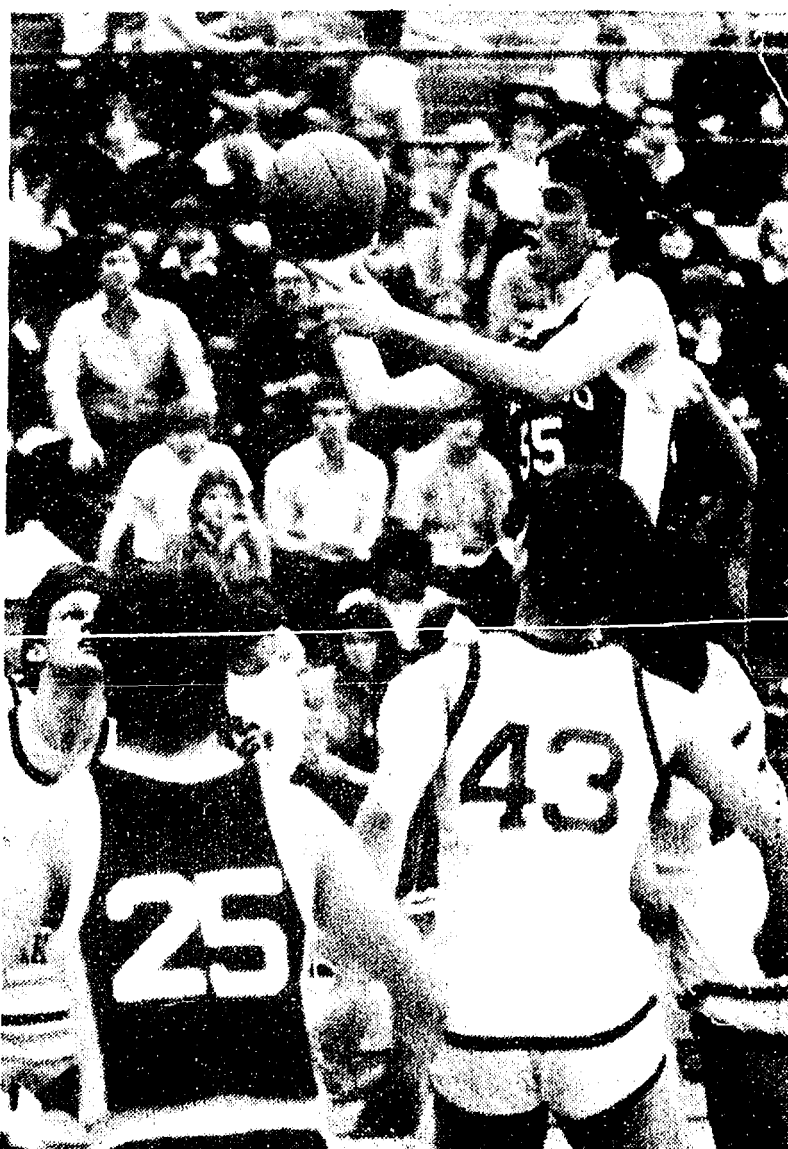

Fischer donated racing skis that were won in a drawing by Jerry Glen of Traverse City.

Vikings Drop OT Game To St. Ignace 87-81

With district tournaments two weeks away, Viking coach Butch Hayes is wondering which Grayling team is going to show up to play.

Last Tuesday, the Vikings scored only 35 points in a sluggish 51-35 loss to Roscommon. Three nights later, Grayling hustled the entire game and scored 81 points in an exciting overtime loss to St. Ignace.

"It was a good game Friday and fun," Hayes said. "We trailed most of the game but the team kept fighting back with determination."

Grayling fell behind 42-32 at half but managed to cut into the lead by third quarters trailing only by five, 61-56. The Vikings caught St. Ignace late in the game and with 30 seconds left had a golden opportunity to sew up the game. Grayling was at the line shooting one technical with a three-point lead. The Vikings missed the one shot and then St. Ignace stole an inbound pass and scored.

Grayling missed a couple of free throws and St. Ignace tied the game. In the overtime, St. Ignace outscored Grayling 10-4.

"They looked more relaxed than us in the overtime and they scored well," Hayes said.

Grayling pressed the entire game and came up with steals but they also threw the ball away 25 times.

The exciting St. Ignace game was a stark contrast to the Roscommon ballgame played in the middle of a snowstorm at Roscommon.

Grayling fell behind 14-9 after eight minutes and could never get untracked offensively. They put up 54 shots and hit only 3 of 6 from the free throw line.

"It wasn't a good game mentally for us," Hayes said. "We didn't move the ball up and down court like we want to and we didn't penetrate their zone as well as we should have."

Patterson scored 9 for Grayling, Nicholas, Branch,

and Naghtin each had 8, and Erb scored 2. Patterson had 10 rebounds.

In the St. Ignace game, Gregg Burns and Rod Patterson came off the bench to score 45 points for Grayling. Burns led with 25 and Patterson had 20. Naghtin scored 12, Nicholas 11, Branch 7, Lovely 2. Patterson had 12 rebounds, Naghtin 9, and Burns 8.

The J.V. team pushed their streak to five in a row with a win over Roscommon 56-52 before falling to St. Ignace 60-55.

Grayling lost it at the free throw line against St. Ignace shooting 9 for 23 or 39 percent. They were ahead 24-3 after the first quarter but St. Ignace caught them after three periods to tie the game 46-46.

Against St. Ignace, Hull led with 13, Klinger had 12, McEvers 10, Palmer 10, Bacon 9, and McClellan 1. Against Roscommon, Bacon had 21, McEvers 12, Palmer 9, Klinger 6, Hull 4, Wolcott 2, and McClellan 2.

HOOP WINNERS — The Grayling Gold Team took 2nd at the Jr. Pro All-Star Tournament Saturday in Grayling. Front row, left to right, Tom Cox, manager Claudine Allen, Dave Montgomery, Nikki Morrill, Joey LaForest, Tony DiPonio, managers Nicole Meagher and Missy Gorman, back row, Jr. Pro president Mike Shearer, coach Paul Smith, Tim Hough, Tom Dawson, Pete Opperman, Aaron Millikin, Heather Stephenson, Bobby Harris, Jimmy Smith, Jamie Petrie, coach Glenn Jones, and Tony Jones. World Day Prayer, Mar. 1st

World Day of Prayer is celebrated on Friday, March 1, in churches across the United States and in 170 countries and regions of the world. This 1985 service takes as its theme "Peace Through Prayer and Action." Written by Christian women of India, it calls people the world over to gather for the 98th consecutive year to circle the globe in prayer for peace and to actively become peacemakers. The service seeks to motivate a commitment on the part of participants to become personally involved in the peacemaking process as individuals and as families within their communities, their nation and the world.

World Day of Prayer is sponsored in the United States by Church Women United, an ecumenical movement that brings Protestant, Roman Catholic and Orthodox women together into one Christian "community of caring." Church Women United (CWU) represents a broad spectrum of religious tradition, race, age, economic status and ethnic background and works through a national unit, 51 state units, including one in greater Washington, D.C. and 1,800 local units. World Day of Prayer offerings make possible the mission of Church Women United including the Intercontinental Grants for Mission program that funds national and international projects in support of the empowerment of women, human rights, justice and peace.

World Day of Prayer services in Grayling, Michigan will be held in the following locations: The Reorganized Church of Jesus Christ of Latter Day Saints on North Down River Road at the freeway.

Letter to the Editor:
I recently read a story in our paper, written by a Lapeer County press publisher. Had to do with a young woman who refused a \$4 to \$5 an hr. job, because she'd rather be on welfare!

I just wonder if this woman is still on welfare? She's really made it look bad for us who are on welfare and want jobs. I hate being on welfare, I have no other choice, because I can't find a job.

I was on a "program" called, Northeastern Michigan Consortium, I was placed at the Crawford AuSable Day Care Center for six months. I loved my job! But the program ended, the Director at Day Care couldn't afford to put me on her payroll, because its a non-profit program. So, back to square one, the welfare line. I looked for other "programs" to help me find a job, the "On the Job Program," has no money till April. Now welfare wants me to work off my grant. I earn no extra money of any kind, just what the welfare allows me and my son. Now I won't even be able to pay all my rent, because my rent is more than what welfare allows. It's what's known as, "Getting no where fast." If I refuse to go to a work site I lose my assistance.

Carol Ostenski is right, "One problem with the welfare is that people get stuck in a program rut. They lose the desire to find a job on their own." I know the feeling believe me. I take a dozen steps forward, am feeling great, and proud of myself, then the "program" is done, and I go back eleven steps, and back to the welfare line I go.

The D.S.S. puts us to work sites, such as, I've been at a D.N.R. office, in another

county, I have done cleaning in a large apartment building, etc. So these people get my help for free from D.S.S., they don't have to hire anyone! I don't think that's fair.

I'm a 42 year old woman, I have my son with me yet, and I want to work, but I end up on a program, and someone gets me for free. No way you can get ahead in life or off welfare that way. We aren't all like that woman. She made it look bad for the rest of us.

The change I receive from food stamps will buy soaps and paper products. Like I said, "Being on welfare you barely exist, no living high off the hog!"

Dear Whitey,
Well I have just visited our school board meeting for the first time in twelve years, also this is my first letter to the editor. Last night, Monday the 11th of February, I felt compelled to see how our system works.

The important issue, the millage for the school system, was what I was interested in. After watching and listening to an honest and fair discussion of the problems and alternatives I was very much in favor of the final outcome.

Mary Allen made the motion with some sound logic behind her reasoning. It was very disappointing that there were only four board members present (William Morford, Mary Allen, Freddie Allen, and Ann Stephenson). I believe the proposal will pass, because the need and simple economics are there.

Glen Terry
Rt. 4
Grayling

Dear Whitey and

"Avalanche" Readers,
An article I read last week in my American Federation of Teachers newspaper claims that many teachers feel undervalued by their communities. The "Crawford County Avalanche" says the school board has decided not to request additional monies for curriculum development and fund equity. This is frustrating! I feel like hiring a flashing sign or an airplane to circle Grayling saying, "Hey!! I'm Worth it!!!" I've been employed by the Crawford-AuSable School District for seven years, and I see a dangerous trend that may be already so solidly entrenched as to be irreversible. The administration, the staff, the school board have seen so many millages and bond issues bitterly defeated, have been so frequently the target of community animosity, have been so often the object of irate, unreasonable criticism that they think too little of themselves. This can lead to bitterness and disillusionment.

Having taught in three other school districts gives me some measure of comparison: I have never seen a community, a student body, or a school district get so much for its money as Crawford-AuSable. This staff loves to teach, so much so that they compensate for what the taxpayers will not provide and what the school board is afraid to demand. Many spend their own money for materials, pay for their own conferences, spend their free time running bake sales, selling key chains, holding drawings, counting Glen's receipts to finance materials and equipment and field trips they think their students should have. Many spent entire summers developing curricula to im-

prove their work. On the one hand, this is noble. On the other hand, this lulls taxpayers into thinking teachers should do this. I suspect too many Crawford County taxpayers haven't counted their blessings, only their dollars. Even our administration and school board have been lulled into an acceptance that perhaps the extra efforts that pull us into above average reading and math scores, when we are in the bottom bracket in per pupil spending, is what Crawford-AuSable teachers should do.

I would love to see the school board, the administration, and most of my colleagues join me in saying, "Hey!! We're worth it!!!" I would love to see the school board ask for renewal plus what we need, not what we can get by with. I would love to have the community compliment us on our test scores, not demand to know where the mythical swimming pool is really hidden or why we deserve a new middle school. I would love to see Crawford-AuSable teachers thanked for their good work rather than undervalued by the community.

To The Editor:

New Horizon Chapter #982, Gaylord Parents Without Partners would like to extend an open invitation to single parents of all ages in Crawford and surrounding counties to come and join PWP.

Our local Gaylord chapter is affiliated with more than 1,000 other chapters in North America. PWP is a unique, non-profit, educational, mutual support organization designed to help all single parents meet the challenge of parenting alone.

PWP conducts programs of educational activities and family activities that allow children to have fun with other single parents and their children. Single parents are provided many opportunities to make a new circle of friends, to share the good as well as the bad times and to learn from each other.

Membership in PWP is open to all single parents who are single as a result of divorce, separation, death or never married. Custody of child (children) is not a requirement for membership nor do the children have to be of age to be living at home.

The Gaylord chapter meets the first and third Tuesday of each month at the Sugar Bowl Restaurant, downtown Gaylord.

We would like all single parents to join us for our coffee and friendship time at 7:30 p.m. followed by our general meeting at 8:00 p.m.

Our information phone number is 517-732-1003. Feel free to call anytime with any questions you may have or for further information.

**Tom Huckle
President
of M.P.A.**

THOMAS C. HUCKLE

Thomas C. Huckle, owner, publisher and editor of the Cadillac News, has been elected president of the Michigan Press Association for 1985, succeeding Alfred R. Bransdorfer, publisher and editor of The Clare Sentinel.

Bransdorfer now assumes the immediate past president position of the MPA executive board of the statewide professional/trade association representing 51 daily and 249 weekly newspapers throughout the state of Michigan.

Mr. Huckle, 42, worked his way from newspaper carrier to publisher during his tenure with the Cadillac newspaper.

While attending school, he worked in stereotyping, composing, mail room, news department, classified and display advertising.

Huckle earned a bachelor's degree in advertising from Michigan State University and later added an MBA in marketing.

Since his graduation from Michigan State, he has served on the board and twice president of the board of the State News, the university's daily newspaper.

Huckle served as a display advertising salesman for the Las Vegas (Nev.) Review Journal in 1964 and 1965.

He is a third generation Cadillac newspaperman. His grandfather, Thomas Oliver Huckle, after working for several other Michigan newspapers, became the controlling owner and publisher of the Cadillac newspaper in 1926 and served in that capacity until 1945. His father, Earl Thomas Huckle is now editor emeritus of the newspaper.

A brother, James Earl Huckle, recently sold his daily newspaper at Ionia and South Haven.

For the past three generations, the Huckles have represented 23 newspapers, 22 of which are in Michigan.

Huckle and his wife, Kaye, are the parents of a daughter, Laura, and a son, Thomas Christopher. They reside near Cadillac.

Beware of Phoney Credit Cardholder Telephone Calls

According to NBD Roscommon Bank vice-president and marketing director, Jerry McReynolds, and Michigan Bankers' Association, several Michigan residents have received telephone calls from individuals located in California, stating they are with the Western Cardholder Association. The caller states the cardholder has won a prize which ranges from a blue sapphire stone to a microwave oven, to even a car. To win a prize, all the cardholder needs to do is verify his credit card account number with them over the telephone. The

cardholder is told no money is involved. The cardholder is also asked if his credit card account is open or has it expired.

The caller then persuades the cardholder to tell them their account number. In one case, the caller had the first four digits of the account number so this appeared to the cardholder that in fact, the caller did have the whole account number.

The cardholder is told they will receive a prize within 3 to 5 working days. In addition, the cardholder is told to avoid having to pay taxes on the prize, within 7 to 10 days they will receive a shipment of vitamins. The cardholder can then purchase a 9 or 12 month supply of vitamins at the price of from \$228 to \$298. The cardholder is told the price of the vitamins will appear on his credit card billing statement in 35 to 45 days.

The cardholder is also told that when he receives his prize to call collect the following number: (916) 481-5443.

The object of this scam is to obtain account numbers and process telephone and mail order sales to cardholder accounts. These sales are unauthorized by the cardholder. This is a widespread operation from the East to west coast.

NBD Roscommon Bank warns that if a cardholder receives a telephone call such as the one explained in this article, "do not give out your account number." Obtain the telephone number and name of the caller. Individuals should then immediately report this to your bank or credit card company.

Copper Kettle Little Club

Bringing our members up to date, we have been holding regular meetings every Sunday and more new members are joining every day. It was decided at our last meeting to have another sleighride on March 10th, everyone is urged to sign up quickly with our Secretary, Ginger, because when the magic number is reached there will be no more room.

Daniel's Den

Daniel's Den is a Christian ministry, that welcomes everyone of all ages and every background, to come and share the love of Jesus every Saturday night. It is located at the corner of the I-75 Bus. Loop and M-72 West. Doors open at 7:30 p.m. with entertainment from 8:00 to 10:30 p.m.

On Dec. 9th, we enjoyed the music & testimony of Greg Jacqua and look forward to his return in the near future.

Valentine's Day was celebrated by having a wonderful lasagna dinner, which was a fundraiser for the Crisis Pregnancy Center. We want to thank all those who devoted their time and talent to make it all possible, as well as to those who attended.

Last Saturday we had Jamboree night. This is when the stage is open to anyone who wants to share their talent or testimony. This is always the third Saturday, so if you are interested, contact Debbie Callahan at 348-2232.

This Saturday night, we again welcome Eric Cherry from Petoskey. Eric's talent in music, combined with humor, will surely uplift you, so come and join us and share the blessings of the Lord.

**Former Resident
Named Bd. of
Realtor Head**

James L. Kessler, Saginaw Underwriters Realty Co., was installed as president of the Saginaw Board of Realtors this week at a meeting at Germania of Saginaw. He succeeds Milton H. Muladore.

Kessler, a Saginaw Township resident, has been a member of the board since 1979 and served on a number of committees. He has been active in the Association for Retarded Citizens, Saginaw Non-Profit Housing Corp., and the SS Peter & Paul finance committee of which he is chairman. Jim is also president of the Saginaw Underwriters Realty Co. at 1213 Washington, in Saginaw.

RSVP Reports

As I begin the position of R.S.V.P. Director, I would like to have you stop in and introduce yourself to me. My name is Aleta Thompson, and have lived in this area for 15 years. I am looking forward to meeting all of you. Please stop in and introduce yourself to me. I will be visiting the stations soon.

There are several areas where volunteers are still needed. They include: teachers aids for the Co-op Nursery, a Spanish tutor for the High School, Math tutors for the Middle School and Special Ed aids for the High School. We also receive calls for office help quite regularly plus we desperately need a regular Meals-on-Wheels driver for Friday's. If you could even just help us out until spring we would really appreciate it. If you are interested in any of these assignments, please call the RSVP office at 348-4341 or 348-3232.

Twenty eight days till Spring! Our snowbirds did not miss all of our Michigan Winter if you noticed the temperature and snow conditions reported in the south last week. Anyone who is 60 years or older and interested in serving their community as a volunteer, is urged to give us a call or stop by our office across the street from AuSagra Acres on Lawn-dale.

Troop 979 News

Have you ever wondered what it is like to camp out in February? If so just ask any member of Troop 979 as they attended the Klondike Derby and Polar Bear February 8-9. Troop 979 was one of the only two troops to stay over Friday night. The troop set up shelters using only straw, plastic and their sleeping bags. The official low temperature for the night was 15 below, although the scouts said it was colder than that, however everyone stayed nice and warm all night. Attending the weekend were scouts Ron Bancroft, Jason Clark, Casey Goeckerman, Lee Bob Johnson, Jeff McLaughlin, David Myers, and Jay Ramsey, Scoutmaster Loren Goodale and Assistant scoutmaster Todd Pfaff.

In the last article we talked about the special awards that can be earned this year. One of these we are currently working on is the Alumni search and we would like your help on this, if you or someone you know was ever in the Boy Scouts we would like to hear from you. All we need to know is your name, address, when, and where you were active. You can either call me with this information or mail it to me at P.O. Box 612, Grayling. Your help would be appreciated, for the whole troop to earn this award we have to find about 150 people. We would really like to hear from former scouts from the forties and fifties as they are worth more points than someone in two years ago, but everyone counts so please let us know.

Also just a reminder about our paper drive. We will take all old papers and cardboard. This is the only source of income for the troop and we really need your help. We have an empty semi trailer in the Industrial Park you can put the papers in, or leave them at the Grayling Township Transfer station (dump) on North Down River, or call 348-9414 for pickup of large quantity.

If you are between the ages of 11-18 and would like to become a boy scout come to our meeting Monday night at 7:00-8:30 behind Goodale's Bakery or talk to any of the above named Scouts.

Exercise For Slim Figure

Exercise can be an appetite depressant as well as a way to burn off those extra calories, according to Joan Ulyot M.D. in her article titled, "Never Say Diet" in "Women's Sports" magazine. But any old exercise won't do, Ulyot says. It has to be aerobic, and regular and sustained, an hour a day is best, according to her.

Area residents will have the opportunity to get that needed aerobic exercise in the upcoming 7 week session of Dance Slimnastics. Classes are scheduled to begin in Grayling the week of March 4. Dances are preceded by a series of floor-work exercises designed for concentrated spot toning of the waist, hips and thighs.

The spring session, titled Teamwork will give fitness-minded individuals the chance to work out aerobically as many times per week as desired. Under the club's unique Free Class Option, these extra workouts are available at no extra cost. The class fee covers the cost of two one-hour sessions per week.

Classes are fun, easy and affordable! Dance Slimnastics Ltd., a nationally recognized aerobic fitness club, is a non-profit corporation with classes offered in 24 states.

For more information on class times and location in this area, call 348-7197.

TO THE CUSTOMERS OF MICHIGAN CONSOLIDATED GAS COMPANY

Case No. U-7777-R

NOTICE OF HEARING ON GAS COST RECONCILIATION PROCEEDING, AND PLAN FOR OTHER REFUNDS

Pursuant to 1982 PA 304, the Michigan Public Service Commission (Commission) has ordered the commencement of a Gas Cost Reconciliation Proceeding to allow the Commission to reconcile the revenues recorded by Michigan Consolidated Gas Company (MichCon) applicable to its 1984 Gas Cost Recovery (GCR) factors with the gas costs actually expensed. Under Section 6h(12) of 1982 PA 304, the reconciliation proceeding will provide the parties and interested persons an opportunity to address issues including, but not limited to, the reasonableness and prudence of expenditures and the amounts collected pursuant to MichCon's GCR clause and by the GCR factors implemented according to the provisions of Act 304. The Commission shall in this matter consider any issue regarding the reasonableness and prudence of expenses for which customers were charged if the issue could not have been considered adequately at a previous gas supply and cost review proceeding.

Sections 6h(13), (14) and (15) of 1982 PA 304 contain provisions concerning refunds, interest, and credits or additional charges resulting from overrecovery or underrecovery of cost of gas expenses.

For the calendar year 1984, MichCon represents that in total, it has a net underrecovery of approximately \$500,000, and about \$900,000 of interest payable as of December 31, 1984. MichCon is in a slight overrecovery situation respecting its Rate 1, 2, 2a, 3 and 10 customers, but in an underrecovery situation respecting its Rate 6, 7, 8 and 9 customers. MichCon proposes to refund overrecovered amounts and to surcharge underrecovered amounts, as the case may be.

At the Commission's direction and in conjunction with its GCR reconciliation, MichCon will also file its plan to refund to its customers the appropriate balance in its refund liability account which is estimated not to exceed \$3,000,000.

Jurisdiction is pursuant to 1909 PA 300, as amended, MCL 462.2 et seq.; 1919 PA 419, as amended, MCL 460.51 et seq.; 1939 PA 3, as amended, MCL 460.1 et seq.; 1969 PA 306, as amended, MCL 24.201 et seq.; and the Commission's Rules of Practice and Procedure, 1979 Administrative Code, R 460.11 et seq.

460.51 et seq.; 1939 PA 3, as amended, MCL 460.1 et seq.; 1969 PA 306, as amended, MCL 24.201 et seq.; and the Commission's Rules of Practice and Procedure, 1979 Administrative Code, R 460.11 et seq.

NOTICE IS HEREBY GIVEN that:

A. A prehearing conference will be held at 9:30 a.m. on March 11, 1985, in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan, for the purpose of providing the opportunity for Michigan Consolidated Gas Company, its ratepayers and other interested persons as defined in 1982 PA 304 to address the GCR reconciliation issues including, but not limited to, the reasonableness and prudence of expenditures and the amounts collected pursuant to MichCon's GCR clause. Any interested persons may attend the hearing and participate, subject to the provisions of the Commission's Rules of Practice and Procedure.

B. Any person seeking to intervene, in accordance with Rule 11 of the Rules of Practice and Procedure Before the Commission, shall file with the Commission, on or before March 5, 1985, an original and 12 copies of a petition to intervene, together with proof of service upon Michigan Consolidated Gas Company, Office of General Counsel, 500 Griswold Street, Detroit, Michigan 48226.

C. By March 1, 1985, Michigan Consolidated Gas Company shall have filed with the Commission and all intervenors in Case No. U-7777 its prepared testimony and exhibits regarding the GCR Reconciliation issues to enable the Commission to issue its order in accordance with Sections 6h(12), (13), (14) and (15) of 1982 PA 304. The evidence and materials filed by MichCon shall include the data identified in paragraph E of the Commission's Order and Revised Notice of Hearing in this matter dated February 12, 1985.

Chamber Chatter

The Grayling area continues to receive good publicity about its natural resources, the many opportunities to enjoy fishing and hunting and other outdoor activities. Expounding on Grayling's many virtues is Outdoor Writer and Broadcaster Don Geiss. Don is now writing interesting stories for the Midwest Outdoor Magazine, a Fishing Quarterly covering the six surrounding States. Don has done a series on Salmon Fishing that he experienced in the Manistee area of River Bend. In the story back home with fishing on "Corn Kernels and Wormtails" featuring the ardent fisherman Rev. Bill Fraser. He did another story in his own back yard on the Manistee River, featuring Bill Rutter in "Manistee River Fish Planting." Don has another feature story to his credit, called "Still Hunting Deer". This last title can mean either quietness or longevity. Take your pick.

At any rate, Don Geiss is doing a fine writing job praising the attributes of this North Country, Grayling Area. Thanks Don!

This coming weekend, February 22-24, Grayling will play host to a convention of the Michigan Snowmobile Association. Over 250 delegates are expected to register at the Holiday Inn, Convention Headquarters. The Holiday Inn has 150 rooms, so that means that the other motels will be getting a good share of the lodging reservations. The same will bring wives and family who will probably do some shopping while hubby is attending the meeting. JoAnn Cox, Sales Coordinator for the Holiday Inn, states that plans are complete for a Safari, Family Snowmobile picnics in the area. The DNR has promised grooming so it should be smooth riding. There is a need of community co-operation. We are asking the local merchants, lodging facilities, restaurants, gas stations, etc., to make available souvenirs, such as pens, key chains, brochures, etc. Anything to remind our conventioners of their visit to Grayling. Call the Chamber about these items. Also, there is a dire need for Trail Guides, local people who know the trails, please check with JoAnn Cox at the Holiday Inn, offering your services. It should be a great weekend.

SKY HIGH

The girders go higher and higher. It seems as if eventually they will snap and break like sticks. The workmen seem small and vulnerable from a distance. Passersby marvel at their ability to work at such heights. "Too much for me," a man mutters, and a woman says, "I'd get dizzy and fall."

Still, the girders go higher and the work goes on until one day the building is finished. It stands tall, shiningly new, waiting for the history that will be written between its walls. Then people will forget about the steel girders beneath its surface, forget its hidden strength. But this is no structure that will collapse in the wind.

In all of us there are reservoirs of unsuspected hidden strength. Do you really know yourself and your own potential?

Just as the steel in a building needs tempering, so we need to fortify our inner strength. In our churches we learn to know what we are and what we can be. Worship every week—you will be the stronger for it.

CARD OF THANKS

I wish to thank Dr. George, Dr. Howell, the nurses and others for taking such good care of me while I was in the hospital.

To Rev. Regan, Joe Wakeley, and my neighbors, the Malloys, the Phelps, and the Bonkowski family. Also to my many friends who visited me and sent cards, flowers and gifts, which all helped to keep my morale up.

I do appreciate and thanks so very, very much.

The play is being directed by Richard Wadsworth, lighting and sound by Jim Brown, and costumes are being supplied by Pineview Surplus and Supply in Frederic. Holmes said a special debt is owed to Col. Gwilt and Camp Grayling for supplying props and equipment.

Consortium Elects Officers

At the January, 1985 organizational meeting of the Northeast Michigan Consortium Administrative Board, John Tierney, commissioner from Presque Isle County, was elected chairman.

Bert Vizina of Cheboygan County was elected Vice-Chairman.

Other members from the Consortium's service area include Terry Small, Alpena County; Dave Cole, Alpena County; Mickey Werner, Alpena County; Dale Manning, Alpena County; Clayton Cannis, Cheboygan Co.

Also Bud Joyce, Crawford Co.; Richard Hermanson, Montmorency Co.; Jerry Mast, Oscoda Co. and Gene Scott, Otsego Co.

CARD OF THANKS

We want to thank all of the nice people for the prayers we received. Also want to thank the neighbors, relatives and friends for all the gifts, cards and flowers we received when we were patients in Munson Medical Center in Traverse City.

(Continued from Page 1)

A M.A.S.H. Bash will be held following the play at the Knights of Columbus Hall in Grayling. There will be a soup and salad bar with refreshments served. "The public is invited and admission is free," said Holmes. There will be a drawing at the Bash for eight prizes and a special program to be announced at the Bash.

Holmes said he encourages everyone to attend the Bash and join in on the fun. No alcoholic beverages will be sold at the Bash, but guests can bring their own bottle and set-ups will be available.
